

SALE OF OIL AND GAS MINING LEASES

CHEYENNE-ARAPAHO ALLOTTED & TRIBAL LANDS

**Department of the Interior, Bureau of Indian Affairs,
Concho Agency, Under Sealed Bids and Oral Auction,
Tuesday, August 31, 2010**

Sealed bids will be received by the Superintendent, Concho Agency, 1635 E. Hwy 66, El Reno, Oklahoma until 9:30 am Tuesday, August 31 2010, and at the **Canadian Valley Technology Center, 6505 E. Hwy 66, El Reno, Oklahoma, where bids will be opened at 10:00 A.M.** Bids will be accepted for the leasing of restricted Indian lands described on the attached schedule, located in Blaine, Canadian, Custer, Dewey, Kingfisher and Washita Counties, Oklahoma, for oil and gas mining purposes.

SALE PROVISIONS

Oral Auction Provisions - Immediately following the opening and evaluation of all bids, those items attracting two (2) or more bids will be subject to oral auction bidding. The auction for a specific tract shall be limited to bidders who have submitted sealed bids for that tract. All sealed bids will be opened, recorded, and determination made for auction items on the same day. This sale will be conducted under regulations promulgated by the Secretary of the Interior, Title 25, CFR 212 (Act of March 3, 1909, 35 Stat. 781-783; 25 U.S.C. 396) as to allotted lands, and Title 25, CFR 211 (Act of May 11, 1938, 52 Stat. 347; 25 U.S.C. 396 A-F) as to the leasing of Tribal lands. **The Superintendent reserves the right to withdraw, add or correct a legal description or item, and reject any bid and to disapprove any lease submitted on an accepted bid.** The specified tracts of land are being offered subject to the acceptance by the individual Indian owners of the allotted land, or the Tribal governing body on Tribal lands. A separate lease will be drawn on the applicable forms for each tract of land. Each of the specific tracts is offered separately to qualified bidders.

Subject to the foregoing, leases will be sold to the bidder who offers the highest bonus money on a per tract basis subject to a review by the Bureau of Land Management, Division of Land Management, Division of Lands & Minerals. On tracts receiving only one (1) bid, the bidder will be given one (1) opportunity to improve the bid. Conditional or alternate bids will not be considered. No drilling propositions will be considered as part of the bonus offer. Each sealed bid must be accompanied by a deposit of at least 25% of the bonus offered, and a completed payment information form. All deposits are to be made by cashier's check or money order, made payable to the **Bureau of Indian Affairs**. Sight drafts will not be accepted. Deposits received from unsuccessful bidders will be returned promptly. Those bidders submitting improved bids will be required to increase their 25% deposit, and amend their bid form within five (5) days from the day of the sale.

Within thirty (30) days after notification of being the successful bidder, the bidder must remit the balance of the bonus, the first year's rental, filing fee of \$75.00 for each lease, the proportionate share of advertising costs, and the lease in completed form.

NO ADDITIONAL TIME WILL BE GRANTED PAST THE 30 DAY PERIOD FOR REMITTING THE BALANCE OF MONIES DUE ON ACCEPTED BIDS. The Superintendent may, for good and sufficient reasons, extend the period for completing and filing the lease, but no extension shall be granted for remitting the balance of the monies due. In addition to all other remedies provided by law, failure of the successful bidder to comply with the terms of the sale will render 25% of the total bonus bid theretofore paid by him forfeited for the use and benefit of the Indian owner without further action on the part of this office.

In the event that no bid is received and accepted on a requested unit or tract, the cost of advertising may be assessed against the applicant who requested the tract to be advertised. Lessees shall furnish with each lease a corporate Surety Bond, with surety acceptable to the United States, in the amount of \$2,500.00 per lease, subject to

increase should drilling commence on subject lease or the lessee may file a Collective Bond (Form 5-5430), in the sum of \$75,000.00 for all leases of minerals in the Southern Plains Region. In lieu of the foregoing bonds, a lessee may furnish a \$150,000.00 Nationwide Oil and Gas Lease Bond (Form 5-5438) for full nationwide coverage with an acceptable company authorized to act as sole surety, to cover all oil and gas leases or permits to which the lessee may become a party.

Important Notice: All successful bidders will be required to prepare their own leases and obtain signatures of the required percentage of consents of all Indian lessors of allotted lands. Pursuant to the Indian Land Consolidation Act Amendments of 2000 Sec. 219 (b)(1) as amended by the American Indian Probate Reform Act, a sliding scale is used to determine approval. If there are 5 or fewer landowners, 90% of the owner interest will be needed. More than 5 but fewer than 11 landowners, 80% of signatures are needed. If there are more than 10, but fewer than 20, the percentage is 60%. In the event there are 20 or more, only a majority of the signatures are necessary; however, we require all owners be contacted. Leases will be drawn on the standard lease form used in the Southern Plains Region (AAO-81), which may be obtained from the Superintendent of the Concho Agency. The successful bidder assumes the responsibility of obtaining the appropriate lease forms. Unless otherwise noted in the schedule, the leases on allotted Indian lands will be drawn for a maximum term of three (3) years from the date of approval by the Superintendent, Concho Agency, El Reno, Oklahoma, and as long thereafter as oil/and or gas is produced in paying quantities. The rate of royalty on allotted lands is twenty percent (20%) on all leases. The rental of \$3.00 per acre in advance for any one year is not considered as a credit on the royalty. The Cheyenne & Arapaho Tribes of Oklahoma reserve the right to negotiate the rent and royalty rate on advertised Tribal property. Oil and Gas leases on Tribal lands will be awarded according to conditions deemed acceptable by the Tribes.

On those tracts listed in which an undivided restricted interest is offered for lease, bids will be accepted and interests considered for leases on the undivided restricted interest only. The prospective lessee will be responsible for arranging for payment to those owners (non-Indian) of undivided unrestricted interests.

If the lessee shall commence drilling with a rig designed to go to the total proposed depth and such drilling shall commence by midnight on the last day of the primary term of the lease and shall continue until the well is fully completed to production or abandoned, the lessee shall have the right to drill such well to completion with reasonable diligence and this lease shall continue and be in force with like effect as if such well had been completed within the primary term of said lease. All Departmental leases awarded under this advertisement contain a provision that all acreage not included in a unit and not producing or upon which drilling operations have not commenced, shall be released at the expiration of the primary term; and further, that the lease shall terminate as to all non-producing formations at the expiration of the primary term of the lease. Also included are provisions that address surface damages and geological or geophysical permits.

All bids should be addressed to the Superintendent, Concho Agency, P.O. Box 68, El Reno, Oklahoma 73036, in an envelope marked: "Bid for Oil and Gas Mining Lease, Not to Be Opened Until August 31, 2010 at 10:00 A.M.". Each bid must be in a separate plain envelope with the tract number clearly printed on the outside of the envelope. All questions pertaining to this Oil and Gas Lease Sale should be directed to Lori Quetone, Realty Specialist (Telephone 405-262-7481, extension 237).
